Dear Dr Kooner,

On behalf of Olympus Australia and New Zealand, I would like to sincerely congratulate you on achieving the milestone of completing **50 iTind cases**. This is an outstanding accomplishment and a testament to your dedication to delivering innovative, patient-focused care.

We are especially proud to acknowledge that you are now the **highest iTind implanter in the APAC region to date**. Your leadership, clinical expertise, and commitment to adopting new technologies have been instrumental in improving outcomes for patients and setting a benchmark for others in the field.

Thank you for your trust in the iTind procedure and for being such a strong advocate for advancing treatment options in BPH management. We look forward to continuing our collaboration and supporting your ongoing success.

Yours sincerely,

James Bowe
